

Directions to arrive from Ortigia to Palazzo del Sale

Take the bridge Santa Lucia, to enter inside the Island of Ortigia, so go straight over the bridge and then you can take the first (Via Riva Garibaldi) or the second right street (Via dei Mille). At the end of one of these 2 streets you will arrive at Viale Mazzini, go straight until you reach a small roundabout where you go straight over and under "Porta Marina" which is an old stone archway, you will see the Marina's carpark on your right, This road leads into V. Ruggero.

Continue for another 100m until the road opens out slightly and you reach a junction. Take the road on the right (Adorno passeggi Aretusa) which continues to run parallel with the sea and continue straight on. You will pass Hotel Des Etrangers on your left hand-side.

You will reach Largo Aretusa, which is a sunken fountain and small pond on your right hand-side.

Carry straight on into Via Castello Maniace. Via Santa Teresa and the B&B is located at the next turn left, but is no entry. So continue for a further 150m into a small Piazza Federico di Svevia, (where you can't park), and go straight into Via Abela until the end of the street, turn left into Lungomare d'Ortigia and take the third street on the left Via Santa Teresa. We are at the end of the street on the left hand side.

The staff at the B&B will advise you of the best place to park your vehicle.

(don't worry you can pass under the Porta Marina also if the traffic light of the limit traffic zone is red) Please take note that the only person that can say to you that you can't pass the Porta Marina once you arrive there, are the local Policeman "Vigili Urbani", so except them don't listen the other pedestrians. But don't worry the Vigili Urbani will allow you to pass after they will know that you are our guests, show them the booking confirmation.
